> **Under Construction**

>

> Welcome to the future home of the James Arnold Allen show! Pull up a
> chair and grab some popcorn.

>

> Summary:

>

> James Arnold Allen is absolutely nothing short of a lunatic. He is a
> man-child from Ada, Ok. that likes to take 'emo' to an awesome
> extreme(pics will follow). Chances are that if you found this site,
> then you're already aware of his antics. This is just a place where
> those of us that have had the misfortune of dealing with Mr. Allen in
> the past can rant/vent and clear some air.

>

> First off, James is a deadbeat father that doesn't pay his Child
> Support. Instead, he has taken to his psychotic state in order to
> conjure up stories about having his son kidnapped and held for ransom.
> This is simply not true. The Mother of his son decided that she was
> not going to deal with James any longer and left him - plain and
> simple. There was no forcible abduction, no assault, zilch, nothing
> more than a mom picking up her son and getting him as far away from
> the bearded psycho as possible. There was a legal process which James
> opted to not participate in. During this process, the Mother had the
> option of requesting full custody due to Mr. Allen's failure to
> appear; however, she did the decent and right thing by allowing for a
> normal custody arrangement. Unfortunately, that decision has haunted
> her as Mr. Allen has never tried to see his son, or even maintain any
> presence in his life. James doesn't realize how much he was really at
> her mercy by taking a default judgement. Rather than count his
> fortunes, he just adds more and more fuel to the fire.

>

> The rationale for this behavior? James lives in a state of constantly
> decaying psychosis. He has cited everything from Genocide and UN
> Treaties, to conspiracies against him and his life as the reason his
> son is being kept from him. The reality is that James is a deadbeat;
> nothing less. What type parent spews such garbage to public venues
> without even reading a copying of his court order and realizing how
> retarded his statements make him appear? A deadbeat. What type of
> parent doesn't even know what medical conditions their child has? A
> deadbeat. Do ya see the pattern here?

>

> Then there are the claims of defamation, and how so much irreparable
> damage has been done to his business. Lets get one thing straight
> right now - James' business (Shadowdancers/SDP/Racoon/whatever he's
> calling it these days) never perpetuated any type of viable income. In
> fact, he just used it to further frauds that landed credit extensions

> and jobs. For example, in his position with Nortel, James was a 1099
> contractor and didn't have the necessary work experience for the
> position. To circumvent this requirement, James had his 'partner' at
> Shadowdancers tell Tek Systems that he had worked there for years as
> an employee, and not to mention that he held any ownership in the
> company. He did the same type of fraud to obtain lines of credit for a
> business that never generated, well, anything. Guess what happened to
> those lines of credit? We'll get to that later.

>
> It was not suprising that although employed as a programmer, James
> could not figure out how to perform simple mathematical problems in
> basic shell scripting. ~~In this~~ day he probably still has no clue - let
> ~~x=x+1::There is a time: I just solved your age old riddle.~~
> Seriously though, the man knows jack shit. We had to listen to his
> pseudo-programmer ramblings for years and became so nauseous by the
> verbal vomit. And then there's the video game that he never shuts up
> about, but has yet to produce any code whatsoever. It's not any
> suprise that his contract was not extended, and he hasn't had decent
> employment since. That telecom bubble burst sucked, eh James?

>
> Then there was the Military, right James? The good ole' Army! Hooah!
> This man's military record couldn't be anymore laughable. Once I get
> the official results from NPRC I will post them up here, but let me
> just say, UTTER FAIL comes to mind! Also he should probably reshape
> the stories he tells other about his military experience. After all,
> there is a thing called the stolen-valor act now. Don't make your FAIL
> any worse, James.

>
> Okay, getting back onto subject now....James blames everyone who has
> ever slighted him in the least for his many troubles. Due to the way
> he carries himself, this is just about everyone! But alas, he still
> has his company, whatever it is, and his loyal employees (his cats,
> his girlfriend, and that's it), along with that non-existent client
> base! Oh, we can't forget about the internet forums that he starts
> that just have one just user (I will let the reader gues who that is)
> who has conversation after conversation with theirself. Then there are
> the rest of us that apparently steal his cars, leave stickers on his
> windows (WTF, I know right?), try to kill him, open credit accounts
> under his name, hold him at knife point and steal his mail, and
> generally make his life miserable at every turn. Where does the guy
> get this stuff from? Again this just reiterates my point that he is an
> absolute headcase, and I would recommend that anyone in their right
> mind form a self-imposed restraining order keeping yourself safe and
> withing at least 1000 yards of this lunatic.

>
> Here's the cold hard reality, bud. You never paid Child Support, you
> abandoned your son and now you're in a world of shit. Amazing how that
> stuff snowballs on you real fast, eh? And here's the kicker, he sits
> back and threatens everyone from a home that he squats in. All of that
> legal rambling that James feels makes him sound big and important,
> actually makes him sound more and more insane. The laws he cites
> aren't applicable to any procedure, local or otherwise, and they
> completely conflict with one another. RICO?@#\$ MUHAHAHAHAHA Why don't
> you channel your energy into digging your way out of the hole in order
> to keep your mind away from your apparent delusions? Your rants
> comprise nothing short of mental instability.

> In the meantime, this domain exposing Mr. Allen is here to stay. The
> previous one, jamesarnoldallen.com, was left to expire as none of us
> felt that Jimbo was worth 8 bux per year. Sorry to burst your theory
> about having it seized, James. However, this domain is set for
> auto-renewal and you have enough dislike built up against you that I'm
> sure we can all pitch in and buy 3409823408098234 domains with your
> namesake. In the next few days I'll be working to put up openforum
> software on here so we can all comment on James and his latest rants,
> in a public retort.

>
> Closing notes...James, you think youre such a big person, and I guess
> that you need people to believe this in order to feed your ego. What
> do you do these days now that you're all alone, without friends and
> hunkered down at your Mom's? I bet you can't even keep 10 bux to your
> name, Bro. It must be a pathetic and miserable existence. Normally I'd
> feel sorry for you, but for someone who's ranted as much as you have,
> and abandoned their child to the point of not supporting them or
> knowing them at all, I feel absolutely no pity upon. You're a small
> person who has absolutely no positive impact on this earth, and never
> will. Yes James, you're literally meaningless.

>
> That's it for now - more to come later.
